Re: Posted opening for the Library
Steering Committee

Dear Ms. DellaSanta:

I am requesting to be considered for appointment to the Town's Library Steering Committee. An opening was recently posted. I believe I can offer the Steering Committee good advice, and I believe strongly in the value of our library system.

I have experience both as an attorney and as an executive in the nonprofit arena. I was employed for over 20 years as a corporate attorney in the communications and mobile phone industries. After retirement from AirTouch Communications, I accepted a position at the University of Massachusetts Medical School in Worcester, Massachusetts as its Vice Chancellor of Development and spent a year there. I was responsible for the development function, its strategy and the management of close to 50 individuals.

If there is any other information I can supply, please do not hesitate to call.

Sincerely yours,

Walter Sleeth

1. Why do you want to serve on the body for which you are submitting your application?
What particular skills, interest or experience would you bring to it if selected?

I have been a developer in the Town of Atherton for over 10 years. I value the unique character and charm of our community and have worked to support the town in a number of different ways. I am very interested in serving on the Planning Commission. I have had the opportunity to appear before them on several occasions and appreciate the work that they do the service they render the town. I have previously served on the General Plan and Finance Committees as well as on the screening committee for the selection of the Building Department contractor. I would bring a commitment to serving the town's interests and a creative problem solving approach to the issues that would come before the commission.

2. Have you attended any meeting of the body on which you wish to serve?

Yes No

3. Have you reviewed the minutes of the past meetings of the body on which you wish to serve?
(Minutes and past agendas of Town bodies are available for review on the Town website at www.ci.atherton.ca.us and at Town Hall during normal business hours.)

FOR YOUR INFORMATION:

The two-member screening committee of the City Council will interview all applicants, if feasible. The Committee makes its recommendation of the person or persons to fill the existing vacancies to the full Council. The recommendation is not binding, although it is usually followed. Council Members may nominate others for appointment.

Council Members and Planning Commissioners must annually file a "Statement of Economic Interests", which is a public document and is forwarded to the Fair Political Practices Commission. All members of Town Commissions/Committees must be registered voters and reside in Atherton.

Service on Town bodies is without compensation. Application for reimbursement by the Town for expenses incurred in Town service may be made on forms available from the City Clerk. There is no assurance that expenses will be reimbursed.

Length of service on Town bodies is controlled by ordinance or resolution. Persons appointed may be reappointed within the restrictions of the ordinance. The fact that an individual is appointed does not necessarily mean the individual will be re-appointed. Copies of appropriate ordinances, (and statutes, if applicable) are available from the City Clerk.

Thank you for your interest in serving the Town of Atherton.

Why do you want to serve on the body for which you are submitting your application?
What particular skills, interest or experience would you bring to it if selected?

My family has lived in Atherton for more than 30 years during which we have looked to the park for various recreational activities.

The park is the Town's most valuable community asset. My husband and I have included a bequest to the park in our wills in recognition of its contribution to our lives here and its importance to future Town residents.

I have participated in park plant maintenance work, and when I did so I saw that the plantings were not maintained at the level they should be. The plants will deteriorate further if this situation continues, and that would be a great loss to the Town; it would also be a large expense if a future Council decided to reverse the decline.

I maintain two large gardens, one in Atherton and the other at our second home. I consider myself an experienced, practical gardener. I have served on the Town's Tree Committee and on the board of a local plant society. I am aware of some park issues through the work of the Atherton Dames and the Holbrook-Palmer Park Foundation.

I am applying now because I received a recruitment appeal from the Town showing that there are many committees with vacancies. (The Park & Recreation Commission has missed meetings recently for lack of a quorum.) In addition, I am dismayed at the divisions within the Town, which, I think, compel all of us to step forward to do our part to restore comity to the Town. For me the park is the focus of that effort.

Attachment I :

Town of Atherton Application to Commission or Committee

Dated: June 14, 2012
Applicant: Denise Kupperman, MLA
Re: Position on the Planning Commission

Question 1.

Why do you want to serve on the body for which you are submitting your application?
What particular skills, interest or experience would you bring to it if selected?

Surrounded by urban and suburban development and communities, Atherton is unique in that it has retained much of its rural character. The town's zoning code and General Plan, are in large part, significant factors that contribute to the preservation and enhancement of our urban forest and the lovely rural atmosphere we enjoy and share. I am keenly interested in working with the town and its residents to retain and enhance our town's unique rural qualities, while understanding that places change, and that there needs to a balance between changes within our community and preserving what makes it its own special place.

As a landscape architect professional and environmental planner, I would bring an understanding of the town's zoning code, planning, landscape theory and practice - as well as experience with LEED and reading and interpreting plans. As a landscape architect professional and long time member of the town's Tree Committee, I have gained experience and knowledge about trees and methods and practices associated with preserving and replacing them.

Working as a Project Manager and as a resident who built our home, I understand the design and construction process, and zoning code and building code compliance.

I have a strong belief in contributing to my community through collaboration, participation and sharing my skills.

- Why do you want to serve on the body for which you are submitting your application?
What particular skills, interest or experience would you bring to it if selected?

I have had a life-long interest in art. I am an art collector, art donor, and wood sculptor. I chaired the art committee for my employer, Syva Co., in Palo Alto during a portion of my 30 year service as Vice President and Director of Research. During the past 7 years, 3 of which as an active member of the AAC, I have assisted the AAC in gallery design, and activities associated with the annual AAC art show at Jennings Pavilion including publicity, planning, recruiting artists and showing of my own work. I believe that Atherton needs to increase its commitment to public art that so enriches all of our lives.

From: Betty Ullman

Answer to Question 1

As a collector and supporter of the Arts (MOMA, Asian Art Museum, Fine Arts Museum of SF, Cantor Art Center, S.F. Opera, Chamber Music S.F., Theatreworks, etc), I believe that art enriches our lives and is a necessary part of our civilization. I would like to complete two projects before stepping down: raise funds thru the Atherton Arts Foundation, a 501(c)(3) non-profit, to support the Atherton Arts Committee's projects, open an art gallery in Atherton, and donate a sculpture to the new library or to the Town Center.

Volunteer Extraordinaire

PACF salutes Betty Ullman, who for the past four years has coordinated the Fund's database—the lifeline to our friends and donors. Aware of Betty's outstanding organization of the Atherton Library database and earlier experience as bookkeeper at Ritchey, Whitman, Fisher and Klein, Ellen Turbow persuaded Betty to take on our fledgling database. Ellen envisioned a paid position, but Betty saw an opportunity to volunteer her services. And so from that day forward, Betty has maintained and updated the database used for all our mailings and donations—in short, all the nitty gritty of our efforts.

In addition to the Community Fund, Betty has

a strong resume in service to the Girl Scouts, United Way, Stanford Hospital, the Atherton Library... You get the picture! The Board of Directors has been ever grateful to Betty for managing our computer database and mining it for the information we have needed to grow the PACF into the vigorous community endowment fund it is today.

Now, with the establishment of an office (at least, a cubicle) and a half-time Executive Director, it's finally time to consolidate all the Fund's activities under one roof.

Thank you, Betty, for being such a valued and reliable volunteer! The Fund appreciates your offer to continue to help when and where you are needed... You will be hearing from us!
