

## Item No.5c Town of Atherton

### **PARK AND RECREATION COMMITTEE – REGULAR AGENDA**

**TO: PARKS AND RECREATION COMMITTEE**

**FROM: SALLY BENTZ-DALTON – PARK MANAGER**

**DATE: MARCH 2ND, 2022**

**SUBJECT: Continued discussion and consideration of adding a pickle ball court at HPP**

#### **Discussion**

To discuss and provide a clear direction for next steps.

Some choices the Committee can make are:

1. Recommend no pickleball in the park
2. Recommend a pickleball trial
3. Recommend converting current tennis court(s) to pickleball court
4. Recommend building pickleball courts
5. Get more data before making a recommendation

Each Committee member can state their current preference, whether they consider other options as possibilities, and the open questions they have. A subcommittee to investigate the preferred option(s) and make recommendations could be formed. That subcommittee would work with Atherton, Noah, Michael, Bob, and other stakeholders to understand what compromises are possible.

Staff measure the current asphalt area and it is measured at 60 feet by 30 feet.
