

FOR THE OFFICE OF CITY COUNCIL

NAME: BILL WIDMER

Occupation: Incumbent, Business Executive

It has been an honor to serve you as a Councilman over the years. From day one, I have remained focused on keeping our homes and streets safe and Town finances positive without new taxes. I have pushed for better transparency. I strive to keep Atherton rural and spacious while serving residents' needs. Today we operate with a budget surplus while making investments in our Police Department, Park, streets and bikeways.

Moving forward, I will focus on respecting Atherton's General Plan while meeting State housing requirements. I will drive for better engagement with the public and continue strong fiscal management while ensuring safety for all residents. We also need continuous improvement of our Town's services and a strong plan to address our environmental issues. Using my 30-years as a senior executive at Fortune 50 corporations, Professorship at Menlo College and multi-term experience on the Council, I will keep Atherton a great place to live. I have also served on the Town's Finance, Environmental, Rail, Technology, Bike/Ped and Town Center Committees, which, provide a sound leadership foundation.

I have raised my family here for 27 years. I have a BS and MBA from TCU.

Please vote for Bill Widmer.
