PARK AND RECREATION COMMITTEE – REGULAR AGENDA

TO: PARKS AND RECREATION COMMITTEE

FROM: STEVE TYLER – PARK SUPERINTENDENT

DATE: SEPTEMBER 7, 2016

SUBJECT: BICYCLE RACK LOCATION(S) AND STYLES

BACKGROUND

Now that the park path widening has taken place between the LL Field and the pedestrian bridge, a location needs to be secured for the placement of a bicycle rack.

Little League would prefer the location behind the grandstands in the “dead spot” immediately behind the W side storage area.

Staff would like Park and Recreation Committee input on that location and other possible locations in the park as well as choosing the preferred style of the rack.

Staff will provide rack options at the meeting. If Committee members would like to bring along some of their own ideas, that will be welcomed also.
