

## Item No. 5b. Town of Atherton

### **PARK AND RECREATION COMMITTEE – REGULAR AGENDA**

**TO:            PARKS AND RECREATION COMMITTEE**

**FROM:        STEVE TYLER – PUBLIC WORKS SUPERINTENDENT**

**DATE:        JUNE 7, 2017**

**SUBJECT:    EVENT GARDEN MEMORIALS**

#### **DISCUSSION**

The Holbrook-Palmer Park Foundation/Friends of the park would like to add donor acknowledgement in the Event Garden area of the park. Currently they have one (1) bronze plaque mounted on a rock. They would like to have the Committee approve this as well as two (2) other such plaques in the Event Garden area.

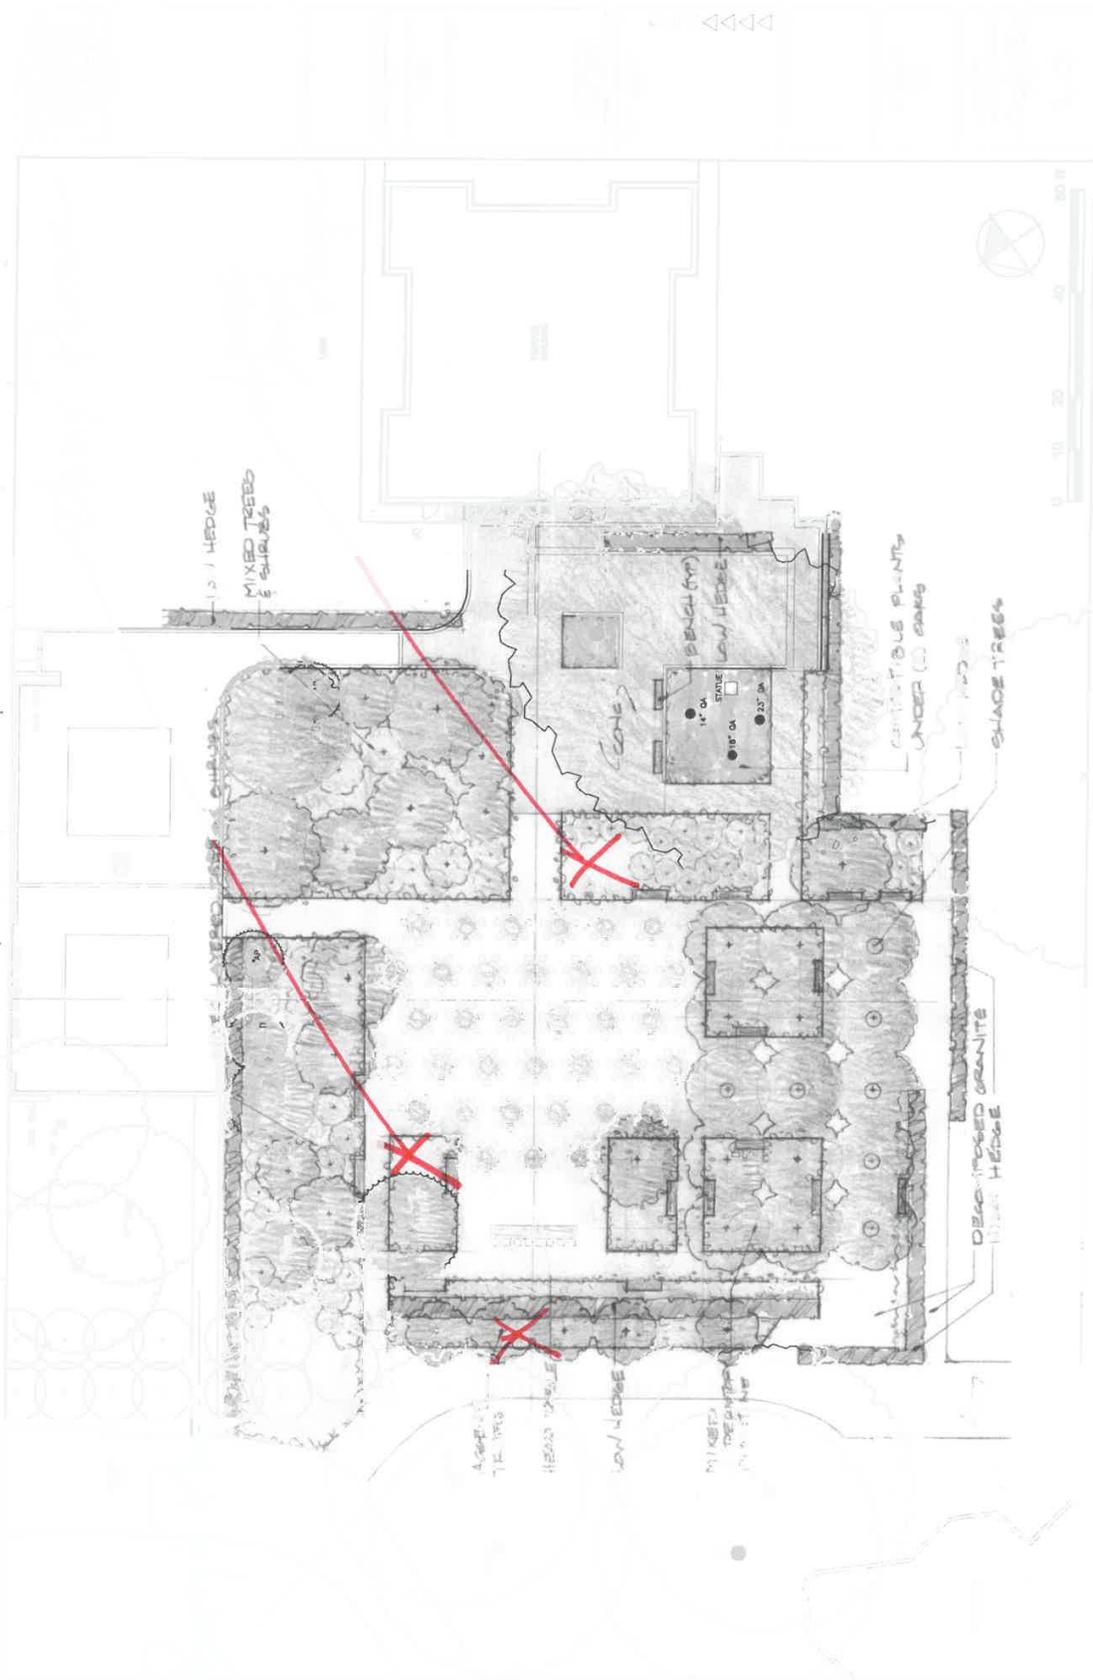

Katy Klaus has sent information to the meeting (attached) as to the plans for setting the plaques into the Event Garden. This information includes:

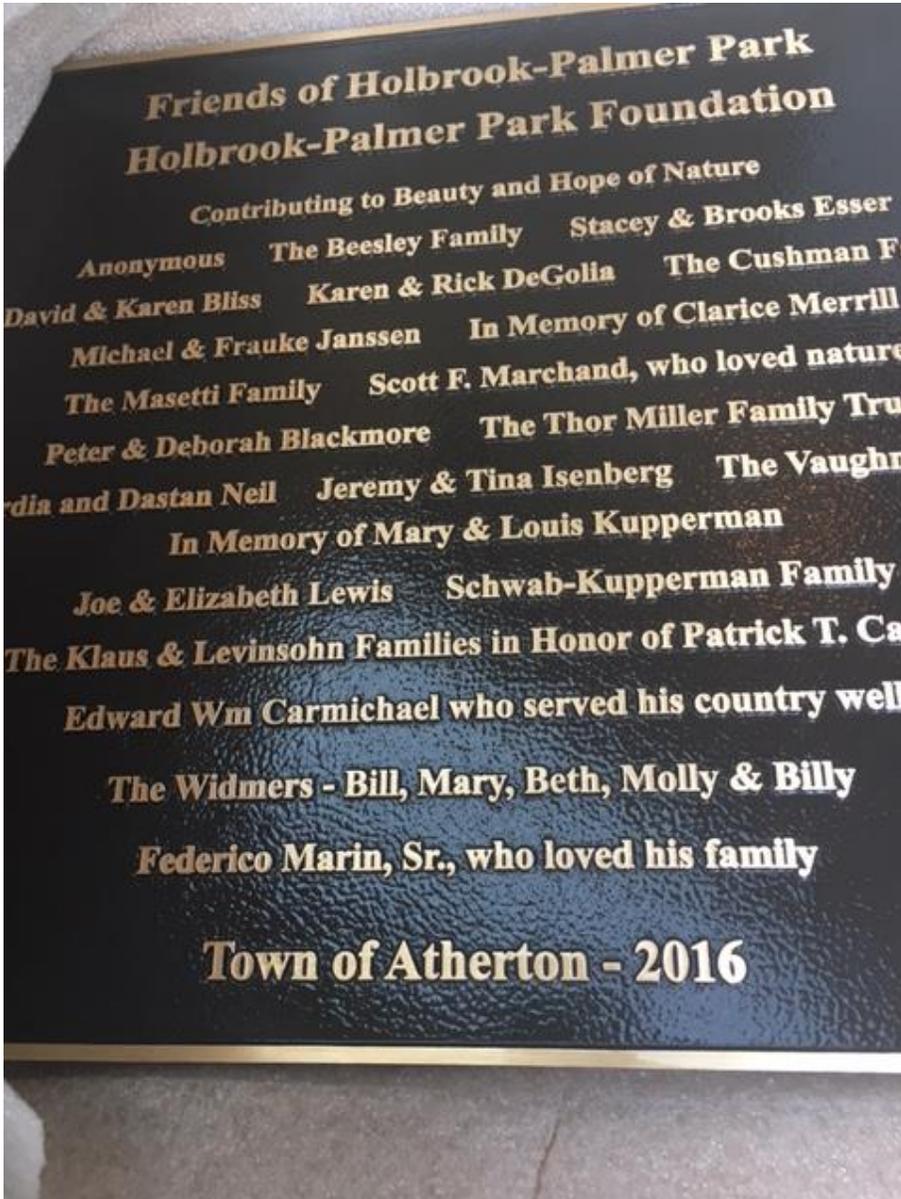

- A plan of the Event Garden, with the three (3) location marked.
- Pictures of the two (2) new plaques to be installed on large rocks.

The Foundation/Friends seek the P&R Committees support on placing these donor recognition memorials in the Event Garden acknowledging the donations of the individuals without who this feature could not have been added to the park.

Carried forward from the 05/03/2017 P&R meeting.
