

Item No. 10 Town of Atherton

CITY COUNCIL STAFF REPORT – CONSENT AGENDA

**TO: HONORABLE MAYOR AND CITY COUNCIL
GEORGE RODERICKS, CITY MANAGER**

FROM: STEVEN D. MCCULLEY, CHIEF OF POLICE

DATE: JANUARY 17, 2018

**SUBJECT: RESOLUTION AUTHORIZING THE DESTRUCTION OF RECORDS
PURSUANT TO GOVERNMENT CODE SECTION 34090**

RECOMMENDATION

Adopt the attached Resolution authorizing the destruction of certain records pursuant to Government Code Section 34090.

BACKGROUND

Penal Code Section 832.5 requires that citizen complaints or internal affairs investigations against police department personnel and any related reports or findings be maintained for a period of at least five years.

Government Code Section 34090 authorizes the Chief of Police, upon resolution of the City Council and written consent of the City Attorney, to destroy records, documents, instruments and other papers under his charge pursuant to an adopted records retention policy as the records are no longer required to be maintained.

The Police Department has 4 files (4 internal affairs investigations) that have exceeded the 5-year retention period and are no longer required to be maintained. The Chief of Police and City Attorney have reviewed the status of the files noted above to ensure there is no legal or other reason to maintain such files.

In addition, the Police Department is asking for the approval to destroy the 2015 citations per the destruction guidelines and four (4) partial backgrounds where the applicants were disqualified and not hired.

ANALYSIS

The California Government Code authorizes the destruction of records and requires agencies to adopt compliant records retention schedules. These schedules ensure that certain records are maintained in perpetuity and other records are maintained for sufficient time periods, dependent on the type of records, to allow standards and structure for local government records management efforts.

Maintaining old files can lead to the use of stale information in personnel and litigation matters that can be detrimental to staff, the department, and the Town. The information is of no useful value to the Town, is out of date and should be destroyed in compliance with Town and State records retention policies.

It is recommended that the City Council authorize this timely and appropriate destruction of old files in accordance with the law.

POLICY FOCUS

Once records have been retained for the applicable period set forth in the Records Retention Schedule, they should be prepared for destruction in the manner prescribed by the Town's Original Resolution # 15-09 adopted March 18, 2015.

FISCAL IMPACT

There is no fiscal impact in approving this resolution for the destruction of records.
