

Item No. 20 Town of Atherton

CITY COUNCIL STAFF REPORT – PUBLIC HEARING

**TO: HONORABLE MAYOR AND CITY COUNCIL
GEORGE RODERICKS, CITY MANAGER**

FROM: STEVEN D. MCCULLEY, CHIEF OF POLICE

DATE: SEPTEMBER 19, 2018

**SUBJECT: CONDUCT A PUBLIC HEARING; AND, IF APPROPRIATE,
INTRODUCE UPDATED ORDINANCE NO. 12.24, AN
ORDINANCE OF THE TOWN OF ATHERTON RELATED TO
HOLBROOK PALMER (HP) PARK**

RECOMMENDATION

Conduct a Public Hearing; and, if appropriate, introduce updated Ordinance No. 12.24, an Ordinance of the Town of Atherton related to Holbrook Palmer Park.

BACKGROUND

Chapter 12.24 of the Atherton Municipal Code provides regulations for Holbrook-Palmer Park. These regulations cover permitted uses, general hours, noise, and restrictions. After recent review of the Code section, staff determined that there are a few areas that need updating to bring them in line with current use and activity at the Park. These areas include regulations on the use of alcohol, referencing animal governed under Chapter 6.04 of the Code, noise, unmanned aircraft, and general Code applicability.

ANALYSIS

Chapter 12.24 of the Code relating to the Park is essentially a list of Park Rules. These issues are addressed with basic signage in the Park and/or other sections of the Municipal Code. However, the attached ordinance incorporates language into Chapter 12.24 for consistency.

The possession or consumption of alcohol in the Park is not allowed at any time, except as specifically allowed by Special Event Permit and/or a Facility Rental Agreement. Renters are required to specify whether there will be alcohol served and the Town can regulate the event based on information provided by requiring additional insurance, if desired. Town events, such as the Concerts in the Park, obtain Special Event Permits that cover the presence of alcohol by attendees.

Animals in the Park are subject to all of the provisions of Chapter 6.04 of the Code. This includes the requirement that dogs be on leash and under control at all times.

With respect to noise, the current ordinance provided the use of amplified sound in any outdoor area. Because outdoor amplified sound is allowed under a Town permit or rental agreement, this caveat was added to the language.

The ordinance was updated to reflect the recent regulations governing Unmanned Aircraft Systems (drones).

Lastly, a catchall provision was added that use of the Park is subject to all applicable regulations codified elsewhere in the Code.

POLICY FOCUS

The purpose of the Town's ordinance is to create and manage regulations for use of HP Park. The updated language establishes regulations which are consistent with the Town's operating principle of promoting safety and livability for the community.

FISCAL IMPACT

It is anticipated that Police Officers and/or the Code Enforcement Officer will respond to complaints of violations of the ordinance. Since these regulations already exist and are enforced, there is no additional staff time or resources involved. In order to educate park users and visitors about the updated ordinance, staff will provide information on the Town's website and publish in the next Athertonian newsletter.

PUBLIC NOTICE

Public notification was achieved by posting the agenda, with this agenda item being listed, at least 72 hours prior to the meeting in print and electronically. Information about the project is also disseminated via the Town's electronic News Flash and Atherton Online. There are approximately 1,200 subscribers to the Town's electronic News Flash publications. Subscribers include residents as well as stakeholders – to include, but be not limited to, media outlets, school districts, Menlo Park Fire District, service providers (water, power, and sewer), and regional elected officials.
