

Item No. 16 Town of Atherton

CITY COUNCIL STAFF REPORT – REGULAR AGENDA

**TO: HONORABLE MAYOR AND CITY COUNCIL
GEORGE RODERICKS, CITY MANAGER**

FROM: ANTHONY SUBER, CITY CLERK

DATE: MAY 20, 2020

SUBJECT: PARK AND RECREATION COMMITTEE APPOINTMENT(S)

RECOMMENDATION

Review the applicants for the Town's Park and Recreation Committee and select applicant(s) to fill vacancy(ies) on the Committee.

BACKGROUND

Due to a resignation, the Park and Recreation Committee has one (1) vacancy to fill a term expiring on June 30, 2022 for a regular seat and one (1) vacancy due to a resignation for a Foundation appointment with a term expiring June 30, 2021. Pursuant to Town of Atherton Resolution 19-07, the City Clerk Department conducted a recruitment that began on February 21 through March 6, 2020 at 5:00 pm. This staff report and appointment was originally scheduled to be considered by the Council at the March Regular Meeting. However, in the intervening time, COVID-19 measures were taken, and non-emergent items scheduled for the meeting were postponed. It was rescheduled for the May Council Meeting. Staff received one referral from the Holbrook-Palmer Park Foundation for appointment.

There are two (2) applicants for consideration for the regular seat.

- Matthew Baker, Bicycle and Pedestrian Committee Member
- Alicia Bakowski

There is one (1) applicant for the Foundation appointment.

- Kathryn Klaus

There is currently an advertised ongoing recruitment for the annual Park and Recreation Committee position vacancies resulting from terms that expire. Incumbents have been notified. The current recruitment is for a term expiring on June 30, 2020. That position is currently filled by Committee Member Bob Roeser. That recruitment will end on June 5, 2020 and any applicants will be considered for appointment at the June 17, 2020 Council meeting.

The Council can appoint both applicants for the regular seat this evening, if so desired; and close the ongoing recruitment. Alternatively, the Council can appoint one applicant to the unexpired term and carry the other applicant forward into the ongoing recruitment to be considered with other potential applicants at the June 17, 2020 regular Council meeting.

Appointment Process

The Mayor and Council can offer applicants in the audience an opportunity to speak to their application and qualifications. Any member of Council can make a motion to appoint either applicant for the regular seat and the Foundation appointment.

The City Clerk will assist with voting sheets if desired and voting shall continue until an applicant is selected.

POLICY FOCUS

The Council is not obligated to appoint any of the candidates and may choose to extend the candidate recruitment process as it deems necessary. The Council reserves complete discretion in appointments.

When evaluating applicants for Commissions and Committees, the City Council should consider the role of the Park and Recreation committee, the amount of oversight needed, cost effectiveness, efficiency in decision-making, and the desire of the City Council for direct policy involvement on particular issues.

RESOLUTION 19-07
RESCINDS RESOLUTION 15-10
A Resolution of the City Council of the Town of Atherton
Establishing and Governing Town Committees
Amended May 16, 2018
Amended May 15, 2019

The City Council of the Town of Atherton hereby resolves as follows:

Section 1. Establishment of Committees

The following committees are established for the Town of Atherton:

1. Audit/Finance Committee
2. Environmental Programs Committee
3. Park and Recreation Committee
4. Rail Committee
5. Transportation Committee
6. Bicycle and Pedestrian Advisory Committee

Section 2. Committee Principles and Rules of Procedure

Principles: All committees shall follow the City Council Rules of Procedure, the Atherton Municipal Code, the Political Reform Act, and the provisions of the California Open Public Meeting Law (Brown Act). These resources may be found on the Town’s website and/or via the City Clerk’s Office. All members shall attend an education and training session hosted by the City Attorney and City Clerk upon appointment.

The responsibility and accountability for all work necessary to efficiently and cost effectively carry out the advisory functions of each committee shall rest exclusively with the Chairman or Council Member assigned to the committee.

A Town Department is assigned to each Committee. Each Department Manager is responsible for providing the necessary staff (in the most cost effective manner) to prepare for, and attend committee meetings. This includes but is not limited to meeting with the Committee Chair and City Council Liaison in advance of each meeting to create an agenda; prepare the agenda packet; take and prepare minutes; and conduct follow up from meetings.

Committee Agenda Preparation: In general practice, the staff liaison to each committee shall meet with the Committee Chair and the City Council Liaison in advance of each upcoming meeting to review the meeting agenda. Regular agenda items, such as approval of meeting minutes, follow-up staff reports, and general information reports shall be added to the agenda as needed. Other items shall be added through one of the methods described below.

One of the following methods may be used for *placing an item on a Committee agenda*:

1. Council: A majority vote of the Council may direct staff to add an item to a Committee agenda.
2. City Manager: The City Manager may receive requests for agenda items from the public, staff, a committee member or a Council Member. The City Manager will review the request with the Committee Chair and City Council liaison. The City Manager shall have sole discretion to refer the request to the City Council at the next available meeting, or schedule the item for the Committee agenda.
3. Staff and Committees: There may be a need for routine agenda items which may arise out of committee meeting discussions; are requested and agreed on by a majority of the Committee as part of Future Agenda Items; or items created from staff follow up of previous Committee and/or staff meetings. These items may be added to a future agenda following an agenda preparation meeting between the Committee Chair, Council Member liaison and staff liaison.
4. Colleagues' Memorandum: If at least two committee members prepare a colleagues' memo, the staff liaison shall place the item on the Committee's agenda under a Future Agenda Items Section. A colleague's memo is a written request, no more than two pages in length, presenting an item to be added to a future agenda. Upon review of the colleagues' memo, the Committee shall not discuss the merits of the item itself; but shall solely discuss whether to add the item to a future agenda for discussion. Upon majority vote of the Committee, the item shall be added to the next agenda or a specific designated Agenda.

Committee Procedures for *placing items on Council agenda*:

1. Committee Action: Any formal recommendation to Council taken by a Committee shall be placed on a City Council agenda within the next two regular meetings.

The City Clerk has overall responsibility for posting committee agendas.

Advocate: Collectively, committees are encouraged to advocate positions to the City Council on matters under the purview of their committee. Otherwise, no committee or any of its members shall represent itself or themselves as speaking on behalf of the Town, City Council, and/or committee without prior approval of the City Council. Individual members are not authorized to make public statements or comments on matters within the purview of their committee outside of the normal committee process. It could be perceived as using the member's position to indicate some special knowledge or understanding of the matter, or to confuse members of the public with respect to whether the comments are being made to improperly influence an agency decision. Committee members should refrain from using their title when addressing other boards, commissions, committees, or the City Council to avoid creating an appearance of special status to the public. Statements of previously approved City Council policy may be made without additional City Council approval. When there is a question, a committee member shall consult the City Attorney for advice. Members of committees may attend meetings of other committees and the City Council; however, members shall not present opinions of their own committee at such meeting unless the position is previously approved by their committee. A quorum of a committee may attend such a meeting, but they may not discuss among themselves Town business, nor comment or discuss the matter under consideration unless authorized to do so by the committee to avoid a possible Brown Act violation.

Educational Materials: Committees may provide approved educational materials to the public regarding the functions and actions of the committee, but shall not engage in advocating to the public any particular position which is contrary to City Council policy. Any educational materials sent to the public shall be approved by the City Manager, and shall follow the Town's procurement process. It shall be the City Manager's discretion on whether or not the educational materials need Council approval beforehand.

Meetings: The Committee shall establish a regular meeting schedule on an annual basis in July. The Department assigned to the committee shall update the website to reflect the meeting schedule. Changes in the dates or time of meetings from the established schedule may be made by majority vote of the committee.

Minutes: Staff shall prepare action minutes for all committees. *Action* minutes shall be presented to the City Clerk within 7 days following the meeting or as soon as feasible if there is a reason not to produce them within that timeframe. Finalized minutes should be sent electronically to the City Clerk for posting, *after* the Committee has approved them. The City Clerk will share appropriate information received from the minutes with the City Manager and City Council.

Reports: If desired by the City Council, an annual report shall be created and approved by the Committee and provided to the City Manager, City Clerk and City Council of committee activities for the preceding year.

Special Meetings: The Chair or a majority of the Committee may call a special meeting at any time in accordance with the Brown Act.

Website: Any website created for a Committee by the Town shall be incorporated into the Town's website. If created, websites shall be developed in accordance with the "advocate" section of this resolution.

Section 3: Appointment of Voting Members to Committees

Appointment: Members other than City Council Members shall be appointed following recruitment process set forth by the City Clerk and approved by the City Council. With the exception of the Bicycle and Pedestrian Advisory Committee as described, all appointed members shall be registered voters in the Town. Members shall serve at the pleasure of the City Council, or until the expiration of their terms set out below. Vacancies in any committee arising from any reason, including expiration of term, shall be filled by temporary appointment of the City Council, or by annual recruitment. The Committee Chairperson or staff assigned shall notify the City Clerk of resignations and vacancies. Each Committee which cannot fill at least 50% of its seats shall be postponed until the Town can recruit at least a quorum (50%+1). During that time, the City Council shall continually recruit qualified individuals and town staff shall continue to advertise periodically.

Term expiration dates shall end on June 30. Appointed committee members shall serve no more than two full consecutive terms on the committee to which they are appointed. A member may be

reappointed to the committee following a minimum two (2) year hiatus. However, if a seat is vacant and no one applies, City Council may grant an exemption.

City Council representatives and any alternates on committees are selected by the Mayor and approved by the City Council to serve a one (1) year term. Appointed City Council Members and City Council Member Alternates shall serve as liaisons to Committees; but shall not serve as voting members to Committees. Alternates participate on committees in the absence of the appointed Council Members. For each Committee, unless otherwise directed by the City Council, one City Council member shall be appointed as a primary liaison and one as an alternate. Members shall coordinate attendance to ensure appropriate representation.

Members who intend to be absent from a meeting shall alert the chairperson and/or staff person assigned. The Chairperson shall state during the meeting, under roll call whether the member is excused (notification was given) or absent (no notification was given). Unexcused absences of members, other than City Council Members, from two or more consecutively scheduled meetings shall result in the automatic vacation of the member's office. The staff person assigned to the Committee shall work with the Chairperson to alert the City Clerk of consecutive absences. The City Clerk shall alert the City Manager who shall decide how to inform City Council. City Council has the authority to override this rule based on the information received.

Chairperson and Staff: Each committee shall have a Chairperson. The Committee shall select its Chair on an annual basis in July. Council Members shall not serve as Chair or Vice Chair of Committees. The Department assigned to the committee shall have the authority to appoint staff member(s) to serve Town committees. Any requests by a committee for staff work, information, or assistance from Town staff shall be made to the City Manager.

Section 4: Funding for Committees

Committees do not have authorization to expend Town resources. In the event funding for a committee activity is desired, a budget shall be prepared and presented to the City Council for review and approval as part of the Town's regular budget process. The committee shall follow the guidelines set forth by the purchasing policy approved by City Council through Ordinance 595 and any expenditure policies developed and approved by the City Council. No Committee member shall use his or her own personal credit card. For items under \$150 a committee member may request a cash advance and then come back to the Town with itemized receipts. For items over \$150, a committee member shall complete a check request from the Town or have the Town purchase the goods/services.

**EXHIBIT A
RAIL POLICY ISSUES
ADOPTED BY THE TOWN OF ATHERTON**

A. HIGH-SPEED RAIL (HSR)

Legislative

In 2008, the Town voters decided against Prop 1A which authorized the HSR project. At that time, Town Resolutions, passed unanimously by the Council, opposed the HSR project, including the Program Environmental Impact Report (EIR), Business Plan and use of the rail corridor by HSR.

Due to its opposition to the HSR project, the Town is opposed to the Memorandum of Understanding (MOU) between Caltrain, HSR, Metropolitan Transportation Commission (MTC) and other transit agencies which provides funding for electrification of Caltrain in exchange for allowing HSR to eventually use the rail corridor. In the event that the HSR project is not implemented, Caltrain will have to seek other means to upgrade its system.

The Town remains opposed to the HSR project and supports legislative initiatives to prevent the implementation of the HSR project, in its current form, through the Town. If the HSR project moves forward, the Town fully expects that the project will minimize and fully mitigate environmental impacts to the Town.

Litigation

The Town may take the position to use legal means, as deemed appropriate by the City Council, to delay, hinder or halt the implementation of Prop 1A which Atherton residents and the City Council voted to oppose.

Lobbying

The Town has engaged a lobbyist, in conjunction with other communities, to represent the Town's interests on HSR matters.

The Council encourages members of the Town's Rail Committee to advocate on behalf of the Town with respect to HSR in manners consistent with the above HSR Rail Policy.

B. RAIL CORRIDOR AND CALTRAIN

The Town was one of the earliest train stops on the rail corridor between San Francisco and San Jose. Families, and later commuters, used the Atherton station for rail service to and from 'the City' for over 100 years. Lloyden Park was developed for residents desiring easy access to public transportation provided by the train.

In years past, Caltrain provided the Atherton Station with weekday and weekend rail service until it declared its first "fiscal emergency" citing the need to reduce costs, including station stops. As a result, the number of weekday rail stops at the Atherton Station were reduced to zero while weekend service is still provided.

Atherton is the only city on the Caltrain line that receives no weekday train service.

The Town deserves the restoration of train service on the basis of "geographical fairness" and being treated equitably in being provided with weekday rail service. Caltrain must complete a capital project to

remove the “hold-out station” designation for Atherton, including the engineering and construction to allow a passing train to pass a stationary train at the station.

Town Priorities Regarding Caltrain Line

The Town recognizes that successful implementation of the Town’s rail corridor priorities with Caltrain require a partnership with Caltrain. To that end, the Town will endeavor to work with Caltrain to address the following priorities for the Atherton Station and Rail Corridor:

- Caltrain must restore weekday service.
- Caltrain must complete a capital project to remove the “hold out station” in Town.
- Modernization of the rail system must minimize and fully mitigate any environmental impact to the Town.
- The Town seeks to perfect the Quiet Zone within the Town through the addition of Quad Gates at the Watkins Avenue crossing and upgrading the Atherton Station. These measures require the support and partnership of Caltrain.
