

Item No. 13 Town of Atherton

CITY COUNCIL STAFF REPORT – CONSENT AGENDA

**TO: HONORABLE MAYOR AND CITY COUNCIL
GEORGE RODERICKS, CITY MANAGER**

FROM: STEVE McCULLEY, CHIEF OF POLICE

DATE: JULY 15, 2020

**SUBJECT: AUTHORIZE THE PURCHASE OF TWO (2) MARKED POLICE
VEHICLES; AND DECLARE AS SURPLUS TWO (2) MARKED
POLICE VEHICLES.**

RECOMMENDATION

- 1) Authorize the purchase of two (2) marked 2021 Chevrolet Tahoe's PPV's for a total cost of \$177,696.35, which includes sales tax, tire tax, license, emergency equipment, and installation costs.
- 2) Declare two (2) 2014 Ford Taurus marked police vehicles as surplus and authorize their sale via auction.

BACKGROUND

The fleet of vehicles used by the Atherton Police Department is reviewed on a regular basis to identify those vehicles that need to be replaced due to mileage and wear. The Department has a vehicle replacement fund to which annual amounts are contributed such that, when vehicles reach their useful life, funds are available for their replacement.

ANALYSIS

New Vehicles

The marked 2021 Chevrolet Tahoe vehicles will be patrol vehicles for police members to use for day to day operations. These vehicles will be used in place of the two (2) marked 2014 Ford Taurus police vehicles.

The marked 2021 Chevrolet Tahoe PPV's are pursuit rated vehicles, meaning the engine cooling systems, tires, brakes, and suspensions are heavy-duty and designed to withstand the demands placed upon the vehicles during high speed driving conditions. The first marked 2021 Chevrolet Tahoe will be fully set-up as a patrol supervisor vehicle with emergency lighting, a siren, communications equipment and intended for use by the on-duty supervisor. The vehicle will be equipped with all the necessary equipment for everyday patrol, with the addition of a mobile command center in the trunk area. This mobile command center will include storage, a second radio control unit and a second computer monitor. The second computer monitor will be used to monitor officers on scene, via the RIMS dispatching system, and to utilize online aerial maps of the Town of Atherton. The second marked 2021 Chevrolet Tahoe will be fully equipped with all of the necessary emergency equipment, and all other equipment, needed to fulfill the daily patrol function of the Atherton Police Department. Additionally, this Chevrolet Tahoe will include a prisoner transport cage.

Over the past several years, the Atherton Police Department has utilized the Ford Utility Police Interceptor (Explorer) as the primary patrol vehicle. Since this transition, the Department has experienced several issues related to the catalytic converters, engine water pumps and engine air intake systems. In recent years, Ford had a Class Action Lawsuit filed against them due to an issue with their timing chain driven water pumps. This issue caused water pumps and engines to prematurely fail. Since the lawsuit was filed, a judge has ruled against the suit and Ford continues to produce their engines in this fashion. Although most repairs to the current patrol fleet have been completed under warranty, the cost of replacing a water pump out of warranty is approximately \$3,000. The mechanical issues with the Department's fleet of Ford vehicles has placed a strain on patrol operations as many times there have not been enough vehicles for the on-duty officers to drive.

The Chevrolet Tahoe comes equipped with a 5.3l Eco-Tec3 V8 engine. This engine is built with Active Fuel Management and Variable Valve Timing. This allows the engine to transition between eight cylinders and one cylinder, reducing both the amount of fuel consumed and the vehicle emissions. The 5.3l engine was first manufactured by General Motors in 1999. In 2007, General Motors introduced the 5.3l engine with Variable Valve Timing, however, the early models of this engine only transitioned between eight and four cylinders.

The 2021 Chevrolet Tahoe comes equipped with several driver safety features, including the following:

- Lane keep assist
- Forward collision alert
- Front pedestrian braking
- Following distance indicator

The purchase price of the Ford Explorer Police Vehicle is \$56,500, compared to \$47,716.69 for the Chevrolet Tahoe Police Vehicle. After the emergency equipment is purchased and installed, the Ford Explorer Police Patrol Vehicle would be \$94,061.86, compared to \$87,202.32 for the

Chevrolet Tahoe Police Patrol Vehicle. The Ford Explorer Police Supervisor Vehicle would be \$96,857.53, compared to \$90,404.03 for the Chevrolet Tahoe Police Supervisor Vehicle.

Surplus Vehicles

AT-80 Marked 2014 Ford Taurus Patrol Vehicle (VIN# 1FAHP2MK1EG111733 – (59,104 miles)

This vehicle is in poor overall condition. Due to its age, mileage, and mechanical condition, this vehicle has reached its service expectancy as a marked police patrol vehicle. Staff recommends this vehicle be sent to auction after the emergency equipment is removed. This recommendation is based on the overall condition of the vehicle, the current value of the vehicle, and the increasing cost of maintenance and repairs. Staff recommends that a new marked 2021 Chevrolet Tahoe PPV patrol vehicle replace this patrol vehicle at a total cost of \$87,292.32 (including tax, emergency and communications equipment, and installation (see attachment “A”).

AT-83 Marked 2014 Ford Taurus Patrol Vehicle (VIN# 1FAHP2MK0EG153536 – (60,818 miles)

This vehicle is in poor overall condition. Due to its age, mileage, and mechanical condition, this vehicle has reached its service expectancy as a marked police patrol vehicle. This vehicle is currently unable to be driven due to a water pump leak and a faulty “power take off unit”. The repair estimate for these two (2) items is \$5,612.05. Staff recommends this vehicle be sent to auction after the emergency equipment is removed. This recommendation is based on the overall condition of the vehicle, the current value of the vehicle, and the increasing cost of maintenance and repairs. Staff recommends that a new marked 2021 Chevrolet Tahoe PPV supervisor vehicle replace this patrol vehicle at a total cost of \$90,404.03 (including tax, emergency and communications equipment, and installation (see attachment “B”).

POLICY FOCUS

Staff will use First Capitol Auction to auction off the two (2) marked 2014 Ford Taurus vehicles.

FISCAL IMPACT

The total cost of two (2) 2021 marked Chevrolet Tahoe PPV vehicles is \$177,696.35, which includes sales tax, tire tax, license, emergency equipment, and installation. Due to age and condition, none of the equipment from the two (2) marked 2014 Ford Taurus vehicles can be used for the two (2) 2021 Chevrolet Tahoe PPV vehicles. All new equipment will be used for the patrol vehicles.

The Finance Director has confirmed the vehicle replacement fund (Account Number 610-40-57005-040) will support the purchase of the two (2) Chevrolet Tahoe PPV vehicles during this current budget cycle.

CITY COUNCIL STAFF REPORT

TO: HONORABLE MAYOR AND CITY COUNCIL
GEORGE RODERICKS, CITY MANAGER

FROM: STEVE McCULLEY, CHIEF OF POLICE

DATE: JUNE 10, 2020

SUBJECT: AUCTION AGREEMENT WITH FIRST CAPITOL AUCTION,
INC. AND REQUEST TO AUCTION OFF SURPLUS TOWN
EQUIPMENT

RECOMMENDATION:

Staff recommends permitting the Police Department to facilitate the pick-up and auction of two (2) pieces of surplus town equipment: two (2) 2014 Ford Taurus automobiles (AT-80 and AT-83). The Town of Atherton has a contract with First Capitol Auction, Inc. of Vallejo, a company that will sell this vehicle at auction, per agreement (see attachment M).

INTRODUCTION:

The 2014 Ford Taurus (AT-80) is a patrol vehicle and is in overall poor condition. Due to its age, mileage, and overall mechanical condition, this vehicle has reached the end of its serviceable life. It is in the Town of Atherton's best interest to have a vendor come and pick up this vehicle and sell it at auction. The vendor charges for transportation of the vehicle, and takes a percentage of the proceeds for their efforts.

The 2014 Ford Taurus (AT-83) is a patrol vehicle and is in overall poor condition. Due to its age, mileage, and overall mechanical condition, this vehicle has reached the end of its serviceable life. It is in the Town of Atherton's best interest to have a vendor come and pick up this vehicle and sell it at auction. The vendor charges for transportation of the vehicle, and takes a percentage of the proceeds for their efforts.

June 10, 2020

The vehicle information is listed below:

<u>Description:</u>	<u>Status:</u>
2014 Ford Taurus – 59,104 miles (AT-80)	Poor condition / repair cost prohibitive
2014 Ford Taurus – 60,818 miles (AT-83)	Poor condition / repair cost prohibitive

ANALYSIS:

The 2014 Ford Tauruses have reached the end of their serviceable police lives. The police department is now financially responsible for any repairs to the above vehicles as they are outside of their factory warranties. Staff recommends these vehicles be sent to auction after their emergency equipment is removed. This recommendation is based on the overall condition of the vehicles, the current value of the vehicles, and the increasing cost of repairs.

The Town of Atherton has an agreement with First Capitol Auction, Inc. of Vallejo for disposal of our out-of-service equipment. The Town of Atherton has used First Capitol Auction, Inc. in the past with positive results. Staff looked into the possibility of using an automotive auction company closer to the Town of Atherton, however, each automotive auction company staff contacted only dealt with licensed automotive dealerships on a wholesale purchase basis, and could not provide the Town of Atherton with the same services as First Capitol Auction, Inc.

The Town of Atherton’s agreement for commissions and expenses is as follows:

COMMISSIONS AND EXPENSES:

A. Commission (Selling Fees)

1. Motor Vehicles and Off Road Vehicles	8.0%
2. Miscellaneous Property (Non-motor or Off Road Vehicles)	20.0%
3. Non running vehicles	8.0%
4. State of California Vehicle Safety Inspection	No Charge
5. Smog Service	No Charge
6. CARB Administrative Fee	No Charge

June 10, 2020

7. Duplicate Title No Charge

B. Transportation Charges and Other Services (All charges based on full loads)

1. Standard Towing: Running Vehicles (6-8 Vehicles)	\$85.00/Veh
2. Standard Towing: Non-Op Units.	See low bed
3. Low Bed Trailer Service (Equip/Med to Large Trucks)	\$85.00/Hr
4. Surplus Personal Property (Miscellaneous)	\$85.00/Hr
5. Minor De-Logo (no paint)	\$50.00/Veh
6. Exempt Plates: Processing "E" Plates	No Charge
7. Storage Fees	No Charge

In the event First Capitol Auction, Inc. is unable to sell these vehicle at auction, they will be sold to a salvage yard for any amount possible.

Once sold, the vehicles will be itemized and removed from the Town of Atherton's list of fixed assets, and the funds will be placed in the equipment replacement fund.

FISCAL IMPACT:

As indicated in the contract language, there are yet to be determined charges to the Town of Atherton for transportation of the vehicles to the auctioneer, which will be paid under the vehicle / equipment funds from the Police Department. There will also be undetermined monies returned to the Town of Atherton for the full price of the auctioned vehicles minus the 8.0% commission. This money can be placed in the equipment replacement fund to help fund the purchases of future replacement vehicles, or considered by the City Council for other uses.

PUBLIC NOTICE:

Public notification was achieved by posting the agenda, with this agenda item being listed, at least 72 hours prior to the meeting in print and electronically. Information about the project is also disseminated via the Town's electronic News Flash and Atherton Online. There are approximately 1,200 subscribers to the Town's electronic News Flash publications. Subscribers include residents as well as stakeholders that include, but are
