Atherton City Council Election November 3, 2020
Candidate's Statement

Name: Elizabeth Lewis

Occupation: Atherton City Councilmember

I've lived in Atherton for 22 years with my family. I know my neighbors as friends.

Because over 70% of Atherton's annual budget comes from property taxes, we must preserve Atherton's rural character, its streets and its trees.

I serve in leadership positions throughout the region. I take these responsibilities seriously and come on-time and prepared to work with other elected officials.

Creating safe bike and pedestrian paths is important to reducing traffic.

Working with the Fire District to reinvest much more of our tax contributions is a priority. Fire safety, preparation for canopy fires and other disasters and possibly a new fire station.

I am proud of the work I've done with Atherton's Council in planning, financing and building the new Civic Center/Library. It will be a wonderful community space.

I promise to listen to your needs, manage Atherton's financial resources, protect its rural character, and promote transparency and residents' rights to be heard, while practicing good governance and being the voice of reason.

I would be honored to represent you for one more term.
Please vote for me on November 3, 2020.
