Hello Atherton Town Council,

I live at [REDACTED] with my wife Lindsay and our two toddlers. We are very much in favor of amending the landscape screening for the corporation yard, and prefer option 3. When we moved to this house, we were unaware there was a facility in that location, due to the dense, tall screening. But today it is very plainly visible from our front window and brings an industrial look to the street that we'd rather limit. We are unable to make the meeting at 6 today but wanted to register our comment with you. Thanks for the consideration!

Thanks,
