SUBJECT: RECENT PARK PROJECTS UPDATES

Discussion

At the June 23rd Council meeting, the Council took the following actions on the below items.

Park parking lot lighting- Council awarded the contract for the Holbrook-Palmer Park Parking Lot Lighting Replacement project to Bradley Electric, Inc. in the amount of \$55,050. The contract was sent to the company and the Town is awaiting signatures. There is currently no start date. The project should be finalized by October 1st, 2021.

Community Garden Proposal – The Council felt that this was not a project to prioritize and did not authorize staff time to conduct public outreach.

Event manager – No decision was made at the Council meeting. Council members have the opportunity to visit the business, Catered Too, for a tasting on July 6 at 11:30 am. The Council will be discussing and making a decision at the July 7th Joint Study Session.

Tree Walk Brochure and Celebration- The Council awarded the Tree Committee to use the requested \$2,500 for the brochure, signage, and event.

HPP Parking Lot Turnaround - At the May 19th, 2021, Council meeting Council awarded the contract to KC Paving. KC Paving is reviewing the contract and we are awaiting signatures. No started date has been indicated.
