Subject: FW: Tuscaloosa City Council Tree Replacement Item - Next Wednesday
Date: Wednesday, September 15, 2021 7:08:56 PM

Hi Sally, We tried to view the meeting by opening the links in your email. We were unable to view anything. I thought after a year and a half of zoom we would have no problem, but we did. In any event I hope you replace the lovely tree on Tuscaloosa that the town of Atherton cut down. Thank you. Diana Bryan
