

YOUR LID IS OPEN

SOON, CHARGES WILL APPLY

if material is propping your lid open by eight (8) or more inches, you have excess material

An open lid means you've exceeded your subscription volume. Charges will apply for overfilled carts (*lids open by eight (8) or more inches*) in the near future.

Closed lids also help the community - they prevent litter, maintain general aesthetics and keep recyclables dry.

HOW TO EASILY IDENTIFY 8 INCHES

The following items are approximately 8" in length:

envelope

screwdriver

See the reverse for details on proper excess material set-out. Please contact Customer Service if you have questions or would like to subscribe to additional services.
