---

Dear Council members,

I am a recent addition to the HPPF Board as well as a 33 year resident of Atherton. As you make decisions for the upcoming year, please consider additional support for Park landscaping, similar to that which will be available for our wonderful new Town areas.

Over the years, the Park has added plantings and flowers which require different/additional care from the previous environment. Helping ensure that the Park continues to be the restful place for Atherton residents and visitors can be a part of getting through these unprecedented times, as well as continuing the legacy under which the Park was founded.

Thank you for your support.

Regards,

Susan Moriconi
