## PARK AND RECREATION COMMITTEE – REGULAR AGENDA

**TO: PARKS AND RECREATION COMMITTEE**  
**FROM: SALLY BENTZ-DALTON – PARK MANAGER**  
**DATE: JANUARY 12TH, 2022**  
**SUBJECT: FOUNTAIN DESIGN RECOMMENDATION**

### Discussion

At the June 2<sup>nd</sup>, 2021, Park & Rec meeting the below fountain designs were presented by Verde Design. The below two styles was Park & Rec’s recommendation. The Town will install the fountain separately from the Circulation plan. The decision will need to be made if the fountain will be installed prior or after construction.

The Committee can discuss their recommendation and provide additional feedback to staff.

## Eton College Fountain

\$3,627.00

The tiered, cast stone Eton College Fountain from Haddonstone is a replica of a famous original fountain. The famous original for this exquisite triple tiered fountain stood in the Cloister Court of Eton College, Windsor. The badly eroded original has now been replaced by a Haddonstone replica to restore this famous feature to its former glory. The tiered Eton College Fountain comprises ornate pedestals supporting three decorative shell bowls surmounted by a naturalistic bud.

- Available in a range of colors
- A robust and frost-proof fountain that will weather over time and last for many years
- Featuring three tiers with classical style architecture
- Recommended [pump X230](#) (sold separately)

The exquisite Haddonstone craftsmanship, which restored Cloister Court's famous fountain to glory, can now be an admired feature of your own outside space.

### Please note:

To avoid potential frost damage, we advise draining the fountain of its water before winter, until spring when the risk of hard frost has passed.

### RHS Wisley Exotic Garden Fountain

\$4,337.00

This striking design was commissioned by the Royal Horticultural Society for their acclaimed Exotic Garden at Wisley, which opened in 2017. It features stylized passion flower designs on the pedestals and a custom-made pineapple finial.

- Available in a range of colors
- Detailed, robust and frost-proof fountain that will weather over time and last for many years
- Based on the existing [Double Lotus Fountain](#)
- Recommended pump [X230](#) (sold separately)

Please note: Take simple precautions to avoid frost damage to fountains. Drain water off before winter every year. Only replace in spring once any risk of hard frost has passed.

*Please note that this product is handmade to order in the UK.*
