SMOKE DETECTOR & CARBON MONOXIDE ALARM SELF-CERTIFICATION

 Print name: Owner/Contractor/Representative

 Permit Number

 Project Address

Atherton, CA 94027

In lieu of physical inspection of smoke detectors and carbon monoxide alarms by the Town Building inspector, this certification may be completed and presented to the Building inspector during the course of a project as follows:

- Reroof - at time of sheathing inspection
- Replace exterior wall cover - at lath inspection
- Window change out - at or before final inspection
- Other Exterior work _____ at or before final inspection
- Attached patio cover - at or before final inspection

SMOKE DETECTORS on ceiling or wall, as specified by the manufacturer's listing and/or installation instructions:

- Outside of each separate sleeping area in the immediate vicinity of bedrooms
- In each room used for sleeping purposes
- In each story including any habitable basement

CARBON MONOXIDE ALARMS as specified by the manufacturer's listing and/or installation instructions.

- Outside of each separate sleeping area in the immediate vicinity of bedrooms
- In each story including any habitable basement

I, the undersigned, hereby certify, under the penalty of perjury, that I am the owner, contractor or authorized representative of the above referenced property. I further certify, under the penalty of perjury, that smoke detectors and carbon monoxide alarms are present and functional in all the following locations. (Check all applicable boxes below. Retrofitted smoke detectors and carbon monoxide alarms may be battery operated.):
